

Dear Colleagues,

January 2023

Welcome to the 38th ANNUAL PIANO FESTIVAL sponsored by the PIANO TEACHERS FORUM located in central NEW JERSEY. The Festival will be held in the Music Building at The College of New Jersey on Saturday, March 11, 2023 from 9:00 a.m. to 4:00 p.m. This year we are also offering a virtual option. Each student entering will have the opportunity to have his or her best performances of two selections (one chosen from the syllabus and one contrasting piece) evaluated by one of the finest artist/teachers in the area. We hope that this opportunity will encourage them to share their love of music through performance. Each student will receive a gift, adjudication and a certificate of participation with ribbons for Outstanding, Excellent, Good, and for Fine Effort.

Our theme this year is **"Together We Dance"**. If a student receives an Outstanding ranking, he or she will be eligible to participate in the Honors Recital, which will take place on Saturday, March 18, 2023 and Sunday March 19, 2023 at **Unitarian Universalist Congregation of Princeton, 50 Cherry Hill Road, Princeton, NJ 08540.**

Online Audition Instructions

Dear Colleagues and Parents,

We encourage students to video record on an acoustic instrument, if available, for the best possible sound (however, performances on digital pianos will be accepted as well). We suggest having a parent video record using a smart phone. The video must have audio, and the entire performer must be visible throughout. It must be clear that the student is playing by memory.

Two separate video links for the two pieces will be required this year. Bowing is required before and after the performance. Teachers OR Parents can upload videos to YouTube and register, along with scans of the sheet music.

Our website (www.pianoteachersforum.org) has many examples of Blue Ribbon intermediate and advanced students if you'd like to check them out!

Instructions for Uploading Video and Sheet Music

After your audition has been filmed, upload it as an “unlisted” YouTube video (see below).

Video Format: YouTube accepts any of the following video formats: .MO, .MPEG4, MP4, .AVI, .WMV, .MPEGPS, .FLV, 3GPP, and WebM.

Upload: Follow these directions to upload your completed video to an unlisted YouTube file. You can do this through the YouTube App or on a Computer.

1. Go to www.youtube.com and sign in. If you don't already have an account, create one. It can be easily linked to a gmail account.
2. Click the “UPLOAD” button at the top.

3. Either click on the “Select files to upload” box and select your video file from your device or drag/drop your video file into the box.
4. In the “Basic Info” screen, enter the appropriate title with the Student’s Name in the box where the filename appears.
5. In the box below the title, enter the name of the piece being recorded.
6. Click the box that indicates the video is appropriate for children under 18.
7. Change the privacy setting from “Public” to “Unlisted.”
8. Click “Done.”
9. When the video is finished, copy the URL and paste it into your registration.
10. Attach images of student’s music in PDF form in the same registration. It is acceptable to have markings.

Thank you for your help! We are thrilled that technology allows us to hold this event despite the challenges presented by current events. We know you have all worked very hard! Good luck to all of your students!

Checklist for Video Upload:

- **Did my student bow before and after each video?**
- **Is the entire body of the student visible?**

- **Is the student visibly memorized?**
- **Does the YouTube link have my student's name as the Title?**
- **Did I scan both pieces of music?**
- **By sending the video link, you hereby grant consent for this video to be viewed by an adjudicator for evaluation purposes.**
