**Scholarships**  
**Due Date: May 1, 2019**

Piano Teachers Forum is proud to offer a one-thousand dollar scholarship to a high school student studying with a teacher who is a member of our group. The student needs to be a high school senior accepted into the music department of a university, college, or conservatory to study piano or music education. There are also additional funds available for a scholarship for middle and high school students attending a summer piano camp and studying with a teacher member. Both application forms are available on the welcome table at meetings, and can be downloaded from the PTF website. Feel free to contact Megan Hofreiter for more information.
